

## Glorious Plan

### **Verse 1**

F                    Dm                    F  
I don't want to go the way of this world  
                    Dm                    Bb  
I want to walk the way that You would  
                    C                    Bb  
You take me farther than I ever could  
                    C                    Dm F  
And Your way's much greater than I thought it would  
                    Dm F  
– than I thought it would be

### **Verse 2**

F                    Dm                    F  
Lord, take me there, and I will stand  
                    Dm                    Bb  
Yielded to You, formed by Your hand  
                    C                    Bb  
What You began in me You will complete  
                    C                    Dm  
You're making me part of Your glorious plan  
F                    Dm  
of Your glorious plan

### **Chorus**

F        C        Bb                    F  
Lord, take me there – with You I can stand  
      C        Bb                    F  
Making me part of Your glorious plan  
      C        Bb                    F  
What You have started You will complete  
      C        Bb                    F C Bb                    F C Bb  
Making me part of Your glorious plan – of Your glorious plan!

*(Verse 1 – Verse 2 – Chorus 2X)*

### **End**

F C Bb - F C Bb                    F C Bb - F C Bb                    F  
of Your glorious plan ----- of Your glorious plan----- of Your glorious plan!
